

TOURIST TAX

Peschiera Borromeo like many other municipalities in Italy and throughout the world, with City Council resolution no. 8 of 27/02/2025 imposed a Tourist Tax on tourists and visitors.

As established by Municipal Council resolution no. 54 of 28/02/2025, for the year 2025, the due amount ranges from € 1,50 to € 2,50 per person per night, depending on the type and number of stars of the selected accommodation.

The tourist facility is required to issue a separate receipt for the paid amount or to indicate on the invoice the amount corresponding to the tourist tax.

The tourist facility staff are required to provide all information relating to exempt categories from payment of tourist tax.

The Tourist Tax revenues will finance interventions in the field of tourist promotion and enhancement of the territory, as well as maintenance, use and recovery of local cultural and environmental assets and related local public services, in addition to the costs relating to the waste collection and disposal service.
