

TOURIST TAX INFORMATION - YEAR 2026

The Tourist Tax, established by the Municipality of Treviglio (City Council Resolution no. 80 of 12/16/2025) with rates approved by Municipal Board Resolution no. 175 of 12/17/2025, is effective as of 03/01/2026.

The tax is intended to finance investments and interventions exclusively in support of the local tourism economy.

WHO PAYS THE TAX?

The tax is due from non-residents of the Municipality of Treviglio who stay in accommodation facilities as defined by Regional Law no. 27 of October 1, 2015 (including short-term rentals pursuant to Art. 4, Legislative Decree 50/2017) located within the municipal territory.

HOW MUCH IS THE TAX?

The tax is calculated per person per night. It is applicable for a maximum of 5 (FIVE) consecutive nights in the same accommodation facility.

RATES

Classification	Tax per person/night (Euro)
3/4/5-star Hotels	2,00
1/2-star Hotels Farmhouses (Agriturismo) and all other accommodation facilities	1,50

EXEMPTIONS

The following are exempt from paying the tourist tax:

- Minors under 18 years of age;
 - Patients undergoing medical treatment at healthcare facilities within the municipal territory and one companion;
 - Those assisting patients hospitalized in local healthcare facilities (limited to one companion per patient);
 - Members of State and Local Police, the National Firefighters Corps, and Civil Protection staying for official service duties;
 - Persons with disabilities (certified according to Law 104/1992) and one companion.
- Exemptions for points b) and c) are subject to submitting a self-certification form (provided by the Municipality) to the facility manager, stating the patient's details and the period of treatment/hospitalization. Companions must also declare, pursuant to DPR 445/2000, that their stay is specifically for providing assistance to the patient or person with a disability.
